A mixed-use development comprising premium offices, bespoke residences, and an integrated retail podium — all housed in an iconic landmark located at the heart of the Civic District, where you are surrounded by the Central Business District and Singapore's famous lifestyle destination, Orchard Road.

MOUNT SOPHIA: A TIMELESS LEGACY

SO RICH CULTURAL VISIONARY

The preservation of Mount Sophia's streetscape and buildings pay homage to its rich heritage — from the shophouses along Niven Road that nurture diverse communities to a lush landscape of greenery at Mount Emily Park, and iconic structures that once housed educational institutions.

A testament to a bygone era, Mount Sophia seamlessly integrates historical elements into its urban modern fabric of today.

A BOLD STATEMENT

One Sophia's unique design includes distinctive cantilevered boxes and elegant bronze fins that wrap the facade with pockets of lush greenery. The facade features a curved, suspended garden, one that creates the illusion of a suspended forest, taking 'nature in the city' to an altogether new level.

Conceptualised by award-winning ADDP Architects and Studio Milou, One Sophia is leading the charge for transformation in the Bras Basah Bugis district.
